URGENT: FACILITY INCIDENT NOTIFICATION

Date: December 2, 2025

To: All Active Customers

From: Sylvain Beauchamp, Regional Sales Manager

CC: Operations Team, Customer Service

Reference: Distribution Center Fire - December 1, 2025

■ SUBJECT: FIRE AT MONTREAL DISTRIBUTION CENTER - POTENTIAL DELIVERY IMPACTS

Dear Valued Customer,

We are writing to inform you of a significant incident that occurred at our Montreal distribution center and may impact upcoming deliveries.

INCIDENT DETAILS:

- **Date/Time:** December 1, 2025, approximately 11:45 PM
- **Location:** ClimaTech Solutions Distribution Center, 8840 Rue Durocher, Montreal, QC
- **Nature:** Warehouse fire in Section C (HVAC equipment storage)
- **Cause:** Under investigation by Montreal Fire Department (SIM)
- **Casualties:** None (facility was closed, no staff present)
- **Fire Status:** Extinguished as of 3:20 AM, December 2, 2025

FACILITY DAMAGE ASSESSMENT:

Our preliminary assessment indicates:

- **Section C (Warehouse):** Severe damage - approximately 40% of inventory affected
- **Section A (Office):** Smoke and water damage, no structural damage
- **Section B (Service Center):** Minimal impact, operational
- **Loading Docks:** Partially operational (Docks 1-3 functional, Dock 4 closed)

AFFECTED INVENTORY:

The following product lines stored in Section C may be impacted:

- Mini-split heat pump systems (9,000 BTU and 12,000 BTU models)
- Energy recovery ventilators (ERV units)
- Ductless air conditioning systems
- Installation accessories and mounting hardware

We are currently conducting a complete inventory audit to determine:

1. Units damaged beyond use
2. Units requiring inspection before shipment
3. Units unaffected and ready for immediate delivery

IMPACT ON YOUR ORDERS:

IF YOU HAVE ORDERS SCHEDULED FOR DELIVERY BETWEEN DECEMBER 1-20, 2025:

Your order may be affected. We are reviewing all pending orders and will contact you individually within 48-72 hours with specific information about your delivery status.

Possible scenarios:

- **Best case:** Your equipment was stored in unaffected sections - delivery as scheduled
- **Moderate case:** Equipment requires inspection - 3-7 day delay
- **Worst case:** Equipment damaged - 2-4 week delay for replacement from manufacturer

IMMEDIATE ACTIONS WE ARE TAKING:

1. **Emergency Inventory Transfer:** Redirecting available stock from our Toronto and Vancouver facilities
2. **Expedited Manufacturing:** Working with manufacturers to fast-track replacement units
3. **Priority Shipping:** Critical orders will be shipped via express carrier at no additional cost
4. **Alternative Suppliers:** Identifying backup suppliers for urgent customer needs
5. **Facility Repairs:** Contractors mobilized, aiming for partial operations by December 15

WHAT YOU SHOULD DO:

- **Review your project timeline:** Assess flexibility for potential delivery delays
- **Contact us immediately** if your delivery is time-critical or on project critical path
- **Consider alternatives:** We can source from other distributors if necessary
- **Wait for our call:** We will contact you within 72 hours with your specific order status

CUSTOMER SUPPORT HOTLINE:

We have established a dedicated incident hotline:

- **Phone:** (514) 555-0200 ext. 999
- **Email:** incident-support@climatech.qc.ca
- **Hours:** 24/7 until December 15, 2025

INSURANCE AND LIABILITY:

All orders are covered under our business interruption insurance. Any costs associated with expedited shipping or sourcing from alternative suppliers will be absorbed by ClimaTech Solutions. Customer contracts will be honored.

UPDATES:

We will provide daily updates via:
