ORDER DETAILS

Item	Model Number	Description	Qty	Unit Price	Total
1	Panel-200C-CSA	Electrical panel 200A Commercial grade WITH AFCI protection CSA certified	25	\$850.00	\$21,250.00

TOTAL \$21,250.00

■ CRITICAL SPECIFICATION REQUIREMENTS:

Model MUST be Panel-200C-CSA (commercial grade with AFCI protection).

DO NOT SUBSTITUTE with Panel-200R-STD (residential standard) as it:

- Does NOT include AFCI protection (CEC 2021 violation)
- Is residential-grade, not approved for multi-unit commercial construction
- Will FAIL building inspection

AFCI protection is MANDATORY per Quebec Building Code Chapter V.3, Section 26-724 for all dwelling unit branch circuits in multi-unit residential buildings.

ADDITIONAL REQUIREMENTS:

- All panels must include CSA certification labels
- Installation manuals (English and French) required
- Warranty cards and registration forms included
- Delivery inspection before acceptance
